

Dear Parents/Carers,

Please find below some more information about reading and PACT bags in Year 1.

For any parents new to the school, your child will be allocated a reading bag, known as a PACT bag, and will receive a new book to read each week.

In Year 1 the children are assigned a reading day, when they will read with us - individually or in a small group - and their PACT bags will be sent home that day, to be returned on the same day in the following week.

We have Reading Record booklets that we will use to keep a record of the books allocated to your child, and note down any words or sounds that we would like you to practise. If you have any comments or questions relating to the book set that week, there is space to record this within the journal, but please don't feel obliged to do so.

Every Friday, we will also be setting an e-book for children to access on the Oxford Owl website. Your sign-in details will be attached to the inside cover of your reading record. These books match up with the sounds we will have looked at in Phonics that week and are fully decodable. We recommend the children read the e-book a couple of times over the week to build up fluency.

Show and Tell also takes place weekly in Year 1 and is held each Friday. To ensure all children have a turn, we have timetabled groups of six children for each Friday of this half term.

Please see below for details of your child's allocated Show and Tell Friday and weekly reading day.

All the best,

Olivia and Marcus.
